FRIDAY, 7:30 a.m. to 5:00 p.m. | SATURDAY, 7:30 a.m. – 2:00 p.m.

**10 River Park Plaza, St. Paul, MN**

**Patricia (Trish) West-Low**  
PT, MA, DPT, PCS

## PREREQUISITE: PART 1

Attended either course (past 24 months):

- *Linked: Breathing and Postural Control, Part 1*
- *Breathing, Talking, and Postural Control (School)*

## HANDS-ON LABS | IN-PERSON COURSE

13 contact hours applied with MNAPTA

## COST: \$475

Register by September 22, 2025

## COURSE DESCRIPTION

LINKED, Part 2 builds upon the foundational information presented in LINKED, Part 1. The focus of this course shifts to hands-on techniques: assessing “normal” breathing patterns and learning neuromotor breathing retraining techniques and manual assistive cough techniques. Multiple clinical cases will be used to cement the concepts, as will a live patient demonstration (if available). Applicable for any pediatric or adult patient (or therapist) who breathes!

**TO REGISTER**
